

Arcadia Thursday Note

December 4, 2008

Principal's Message:

I hope you have noticed our new school marquee! This communication tool will be used to keep parents, students, and teachers aware of upcoming school events and calendar changes. We had some vandalism on the marquee over the Thanksgiving weekend. If you live close to the school, please help us keep our school property, school building, and school marquee in great shape by reporting to the police any suspicious activity.

Thank you so much for your support. Arcadia is a great place to be for students, teachers, and this principal!

Terri Roylance
Principal

Curriculum Spotlight:

Our fifth grade students have recently finished the study of Earth Science. They are now moving onto Magnetism and Electricity. Each of these science subjects is tested at the end of the year on our Utah State Core tests.
