II. Approval of minutes from last meeting

Everyone read the minutes from the last meeting. Jennifer Olsen motioned that we should accept the minutes from the last meeting. It was noted because of Community conflict we had to change the math night to a night in May.

Lisa Kerr seconded the motion. All in agreement

III. Open Issues

Finance: Jennifer Olsen said there may be some unassigned money from a project she worked on that would allow some money to be used as a community relations builder in helping the PTA on a project.

Mary Fuller moved that we should accept it if approved by Mrs. Harris. Lisa Kerr seconded the motion. Ayes had it.

School Math Night will be held in the gymnasium on May 13th at no cost to the patrons.

The “No Tardy Party” will be held on May 8, 2009. Mrs. Santana said it really helped in getting the students to school on time in April.

The Engineering Program from the University of Utah has been very successful. They will carry the program through the 2009-2010 school year. We would like to thank them for making the program so interesting for the students.

A thank you is given to all the mothers who worked on making Frost a Gold Medal School. A special thanks to Mrs. Hall who spearheaded the project. Mrs. Olsen expressed a desire to make it go into all facets of Robert Frost. It is felt that the walking during the morning recess has been beneficial to helping student behavior during first recess.

IV. Adjournment

Jennifer Olsen moved that we adjourn the meeting at 4:34

P.M.

Mary Fuller 2nd the motion

Ayes had it.
