

The Stolen Bird

By Andrew G and Ben W

Someone busted the door open at the Pet Shop and stole the bird! Kevin had seen the thief on the back of the head. The thief had brown hair. The thief had left his watch behind.

Kevin took the watch back to his garage. Kevin's mom wanted to know what happened. The only kids in town that had brown hair were Bob, Chad and Tom. Kevin went to the thief's house to investigate.

First he went to Chad's house. Chad said he didn't do it. Then he went to Tom's house. Tom said that he had lost his watch. Kevin knew that Tom did it. Rainbow town was mad at Tom. Tom went to jail. They all got the bird back.
