

Who Stole The Diamonds?

By Monique

Day 1: Brrring.... brrring The phone rang. “ Detective Jaxon ! Detective Jaxon!,” boomed the phone. “yes?, who is this?,” asked detective. “ It’s Carl Stevenson,” he said. “There has been a robbery at my store!,” yelled Carl. “ When?” “Just a few moments ago.” “ Ok.” said detective as he was pulling out his notebook , tell me where your store is and what it is called.” “ My store is called Star’s Jewelry and it’s on Tixonville .” “ Was there anyone suspicious around?” How am I suppose to know?!,” Carl screamed. “ I’m just a store manager .” “ I’ll be there, just give me a few minutes,” said detective.

As soon as detective got to the store, he looked at the shattered glass. “ Oh boy ,” said detective. “My store, it’s ruined!” sobbed Carl.” I’m going to look at the other stores,” said detective. “ Ok ,” said Carl. So he looked around but no stores were shattered. It was getting late so he said he was going to work on the case tomorrow. “ “Oh! I almost forgot!,” detective yelled. “ I need to know what he stole and how much it is worth. “Ok’ he or a she stole 32 diamonds from my expensive box!,” Carl said. “ And they were about 400\$ each.” “ Ok I’ll work on it,” detective said. “Have a goodnight Mr. Stevenson. Then he found a diamond on the ground. “ Hmmm.” he mumbled as he put it in a plastic bag.

Day 2: “ Ok,” I found his or her thumbprint on this diamond.” “ I’m going to take it to examination room,” said detective. “ Please do,” said Carl. So he took it to the examination room. It was a man. His name was Steven Brown. So detective Jaxon found him. “ hey,” detective yelled to a person. “ Are you Steven Brown?,” asked detective. “ Uhh,” “I am,” he said. “ I need to ask you some questions if you would come with me.” Just then he began to run. Detective caught up, put handcuffs on him and turned him in to talk to him. He said that he and other men called Joe Grizby, Josh Rubin, and, Jack Black stole the diamonds with him. The police put them all in jail. The detective was relieved.
