When I get done with school, I walk to my wonderful home. I walk through the creaky door and see my lazy brother 'Jonas' and wonderful sister 'Grace' watching the old loud T.V. I walk downstairs and see my loveable mom on the old slow computer by the hard desks where we do our homework. Then, I see my baby sister 'Eva' playing with toys.

I hear the loud T.V. and my two brothers and sister talking. I hear my mom typing and talking on the phone and I hear Eva crying.

I smell delicious food such as creamy mac and cheese or chocolate yummy cookies. MMM!! It smells good ! I also smell the scent of yucky garbage. It doesn't smell good !!

Then I go to my hard desk and work on my homework. After that go on the really slow computer and play fun games or type on Word where I make fun poems such as a poem about Halloween or one about summer .

Then, my nice mom or cool dad calls us for dinner. We eat lots of delicious food such as mashed potatoes with creamy gravy or crispy chicken and steaming veggies. MMM!! It tastes good. We drink milk or water with our dinner. After that, we go to our small bedrooms and go to bed.

THE END
