

# **MY DOG BANDIT!**

**BY SAMANTHA P**

**I have a dog, his name is Bandit. He is the best dog you would ever wish for. He has brown, black, and white fur and his fur is as soft as sheeps wool. His teeth are as sharp as a sharks, I mean a knife, ok not at all! His ears hang lopsided when he has done something wrong and he's playing innocent. His tail is just like a regular dogs, but it has white at the very tip toppy of his tail. His body and his legs are just medium.**

**“Be quiet Bandit!”  
My dog is always bark-  
ing annoyingly all day  
long “Bark!” “Bark!”**

**My dog stinks when he  
comes inside after it has  
been rainy. STINKY! If it  
has been hot, he smells like dog food.**

**THE END**
