## A WELL DESERVED “PAT ON THE BACK”

We would like to take this opportunity to thank all of the PTA members for their awesome work throughout the past school year. All the wonderful programs and projects made Twin Peaks a great school for our students. We would also like to recognize all of the terrific volunteers who helped in the classrooms and on field trips. Your dedication to your child's education will bring lasting memories.

Thanks!

## END OF YEAR LUNCH INFORMATION

Just a reminder that the end of the year is fast approaching, and we want to inform you that all unused lunch money will be carried forward to next year unless otherwise requested. **All lunch accounts with negative balances must be paid in full before the end of the school year.** If you have any questions, please call Debbie at 646-5049. Thank you.

## SUMMER READING

We hope both students and parents will remember how important it is to keep reading during the summer. Research has shown that students who read over the summer months improve the level of reading they achieved during the past school year. Students who don't read lose many of their reading skills and try to catch-up during the next school year. Have a great summer break from school, but not from reading!
