

Evergreen Junior High PTSA Newsletter

Evergreen Eagles

A WORD TO THE WISE: Wash your hands often to avoid getting sick.

A message from Mr. Grant

We are happy to welcome a new mathematics teacher to Evergreen Junior High. **Calvin Black** comes to us from Granite Park and will be teaching Math 7 and Pre-Algebra to our seventh grade students. Opening six new math classes and further lowering class size greatly benefits students, and

creates a good foundation for all grade levels.

You may have noticed your Evergreen student and staff members wearing lime-green wristbands this year. The **"I Make A Difference"** program rewards positive interaction and behavior between students, teachers and peers thus encouraging positive cul-

ture at the school level.

I am glad to say that it has been very successful.

As parents and student attend activities and programs at the school this year you can take note of the new auditorium seating and bleachers in the gym. These improvements will help us be much safer and more comfortable.

Copies of this Newsletter can be found in the school office.

Student phone directories are on sale for \$4 in the office as well.

November 2009
Issue Number 1

BOND ELECTION

Remember to vote on Tuesday, November 3rd. *If this bond is passed, Evergreen will receive air-conditioning, and Olympus High will be rebuilt.*

Pep Assembly
November 6th

Wear your
Evergreen T-shirt to
show school spirit

For more School information look on the Evergreen home page:<http://www.graniteschools.org/jr/evergreen/>
