This is Dead Week – We Will Be Wrapping Up 2nd Term and Starting 3rd Term's Activities

## Apuntes

This term I will not be accepting late work unless it is accompanied by a visit from a parent.

You must do one word picture on the computer and export it as a GIF file this term. This is in addition to the other 8 required pictures. (20 pts)

You need to continue to do a weekly blog. This time your blog must be done on Thursday or Friday (or at home before Monday) and you will need to include what words you are trying to, or did learn that week. The blog must also include three specific things you worked on or did in class that week. I expect to see you reflecting on your work in Spanish class and what was easy and what was hard or that you didn't understand.

We will also be doing assignments on 1) Verbs, 2) Writing Poems, 3) Adverbs, and 4) Other Stuff

To listen to music and to have food and drink requires that you have your work turned in. If you are missing work you will not be allowed to bring them to my class. If you do, I will take them.
