This calendar is to give you an idea of the things we will be doing this term and is subject to change (addition or deletion of items). I will not change it unless I see the need. 1) Working hard but not finishing means you need more time and probably less work. 2) Goofing off, talking and not working means you don't have enough to do and more assignments will be added. You need to write your scores down and turn this in to me.

Parents, please sign below indicating that your student has shown you the 3rd term calendar. I can e-mail you a copy or send one home for your reference or you can go online to my website and download the calendar.

Parents, this whole term deals with food, if you wish to come and give a short presentation on a traditional food of a Spanish speaking country, please contact me as this would add to the quality of the term. Since our Thursday and Friday schedules are 90 minute class period, we might even be able to do some cooking. (with cooperation with the Foods teacher) If you have any questions, don't hesitate to call me at 646-5194 or send an e-mail to Bradley.Butcher@granite.k12.ut.us

Thank you for your support.
