

Minutes – January 17 2008

Attending: Howard Sagers, Angela Christensen, Claudette Connell, Lisa Peterson, Kris Brumble, Amy Gerritsen

A presentation was made by Rick Wray about the SpyHop program. He talked about the goals of the program and how it is integrated into schools.

Claudette talked about the upcoming audit of Community Council and the SSAP Mid-year meeting for the chair and principal.

Discussion about the AYP results and SSAP goals.

- Everyday math classes are being offered

- Reading classes are available to students in need

- School is utilizing the DEAR program (Drop Everything And Read)

- Jazz grant/application could be applied for next year

- How do professional learning and QTSA projects align with the SSAP goals

- Parents would like to see more parent involvement in school; spend a couple of days volunteering in the school doing a variety of tasks; would like to have some motivation in place

- Tracking data on projects; have teachers report progress of projects; have teachers

 - Dr. Sagers and Ms. Christensen will meet to create letter to teachers

 - 5 min. presentation of progress, tracked data, written summary of project and students involved

Next meeting: February 7th.

Meeting adjourned at 4:30
