

Kennedy Jr. High
Community Council
November 13, 2008 – Media Center

In Attendance: Angela Christensen, Claudette Connell, Cathy Fuller, Dr. Bill Kenley, Lisa Peterson, Beverly Thatcher, and Cherilyn Bramall.

Started recording of meeting – Folder A2

Welcome: Claudette Connell

As a Community Council, we need to decide what data needs to be collected from the projects that were approved. We need this information for our mid-year progress report that will be presented to the district. It was decided because of time restraints we wouldn't be able to go into detail when we report to the board so we will put together a "leave behind" packet for the board members to review. We will discuss the highlights of our projects.

Morning and Afternoon Tutor Labs

- Amount of time students are spending at labs
- Number of students attending labs
- Sign in – add to the sign in sheet an area for students to indicate subject and teacher
- Track which subject area is in need of help
- Number of times students are attending labs

If we knew the students teachers we would be able to contact the teacher to know if the tutor labs are helping with grades and get progress reports. We also need an ongoing log of the teacher's time spent supervising labs.

Business Liason – Jan Apgood

- Volunteers check in at the front office
- Log of dollar amounts of donations

My Access – Diane Lerdahl

This program has a function to keep track of each time a student logs in on their account and how much time student is working on program. There is also a report that can be run that shows the students progress.

Web Page – Angie Christensen

This project was approved at the last meeting. The Community Council asked if there is a way to track how many hits the web page gets. Angie will look into setting something

like that. Cathy Fuller will get the PTA information to Angie so that it can be updated on the web page.

Department Chairs

The departments meet once a month to discuss the needs of the department. The department chairs submit agendas to Administration after their meetings. Administration then meets with the department chairs once a month.

NCTM Conference – Gordana Bajraktarevic

Ask Shauna Cropper to do a write up of the conference.

SEOP Counselors – Kent Mayne

This will take place after the report. Since the counselors did this last year we can use the data from last year.

It was decided by the Council to write up a general letter explaining the data that needs to be collected for each project. This letter would be signed by Claudette and Dr. Kenley and given to the teacher who submitted the project.

Wendy Fayles
Parent Center

The Granite Education Foundation Auction is Friday, February 27th. We are still collecting donations from businesses. If you know of anyone that would be willing to make donations, please let me know.

Reality Town will be on Friday, December 5th. This program is for the 9th graders. We will need about 50 volunteers to run this program. Please send me the names of any volunteers that you know of that may want to help. We are working with USANA, American Express, and Junior League.

Cathy Fuller
PTA President

Academy Park is having a PTA Family Christmas Night on December 10th. They will have a Santa Shop with items that can be purchased. There will not be anything over \$10.00 in the shop. S&G Studios will be there to take pictures with Santa. The cost of the pictures will be \$10.00 for two 5x7 prints.

Reflections entries are due tomorrow, November 14th. We will accept entries as late as Monday morning. We hope our students do well with their Reflection entries this year.

Our next Community Council meeting is scheduled for January 22, 2008 at 3:15 p.m. in the Media Center at Kennedy Jr.

Ended recording of meeting.
