OPEN ENROLLEMNT PERIOD FOR THE 2010-2011 SCHOOL YEAR

The months of December, January and February have been legislated as the Early Open Enrollment Period for parents to exercise their school-choice option for the 2010/2011 school year. If you want your student(s) to attend a school other than your designated boundary school, you are required to complete a Granite School District “USOE Standard Open Enrollment Application” and submit it to the school of your choice between the time period beginning Tuesday, December 1, 2009 and ending Friday, February 19, 2010. Applications are available in the requested school’s office from November 2, 2009 through the 3rd week in February, 2010.

Applications will be considered on a first-come, first-served basis and will be stamped with the date and time received. **Each application is individually screened and considered based on available space in the requested grade, class, or program.** The requested school has until March 31 to notify the parent/family of acceptance.

If your student(s) are accepted during the Early Enrollment Period application process, it is not required that you reapply the following school year – *as long as space is available and the student(s) remain in the requested school.* However, when a student moves from elementary school to junior high, or from junior high to high school, it will again be necessary to apply during the Early Enrollment Period to the desired junior high or high school *if that school is not the designated “boundary” school.*

Please feel free to call the school with any questions.
