RE:  District Warehouse Purchases

Dear Dr. Bates:

The district’s central warehouse serves a vital role in the supply chain that keeps our schools equipped with the many various products necessary to provide education to our students. In order to maximize the efficiency of our operation we purchase all of our product in bulk to reduce the cost of the products. Several of the products we purchase throughout each school year are purchased in such quantity that the individual order exceeds $50,000.

This letter respectfully request approval to issue a purchase orders for these stock warehouse items where the order amount exceeds $50,000 through the 2017-2018 school year. This approval will allow for less disruption in our supply chain to the schools. Funds for this expenditure are to come from the Inventory Asset Account.
