RE: Move Relocatable Buildings
\$61,500.00

Dear Dr. Nye:

A request for the moving of relocatable classroom buildings to Truman Elementary School to accommodate students during an HVAC upgrade was submitted to the Purchasing Department by the Planning and Boundaries Department.

We have an existing contract with Intermountain House Mover for a fixed price for each building moved. This project would involve moving eleven buildings.

We respectfully request approval to issue a purchase order for \$61,500.00 to Intermountain House Mover for this project. Funds for these services are to come from the capital budget.

Sincerely,
