

Article IV.J. Teachers

- A. The classroom teachers are under the direct supervision of the school principal who receives delegated authority through the superintendent.
- B. The staff communications shall flow through proper channels; namely, teacher, principal, appropriate member of the school services teams, member of the superintendency and superintendent.
- C. The teacher shall perform the duties assigned under the direction of the superintendent and the school principal at the time and place appointed by the Board. See “Performance Standards for Educators.”
