

Article V.A.3. Pursuit of Individuals and Vehicles

A. Statement of Policy

1. The focus of Granite School District Police Department is to enhance safety and security for children and personnel at school and work but not to provide general law enforcement services to the broader community such as pursuits of vehicles.
2. Despite the focus of the department, the Board of Education recognizes that the protection of individuals may require pursuits. The Granite School District Police Department, in consultation with the superintendent or the superintendent's designee, shall develop departmental directives to regulate pursuits in those rare circumstances considering such factors as:
 - a. Safety of children, personnel and the public;
 - b. "Best practices" of other local law enforcement agencies;
 - c. Coordination and cooperation with other local law enforcement agencies;
and
 - d. Other factors based on the unique focus of the Granite School District Police Department.
3. The Department shall train officers regarding the accomplishment of this policy.
