Request for Police Report

Since most police departments cannot release records directly to the schools, it's the responsibility of parents to get the student's official police record and send it to Granite School District.

PARENT/LEGAL GUARDIAN RELEASE FOR POLICE AUTHORITY STATEMENT:

As parent/legal guardian of _____, birth date _____,
legal address during the last two years _____, I authorize the
Police Agency of _____ to release my child's official police record to Granite
School District Student Services. This record is part of the application process for guardianship. The court requires a
Granite professional to check a box on their "Affidavit of Waiver" form, saying that the police report has been received.
This record is confidential and will not be transferred to any person or organization except as permitted by law.
