

27" GBC HeatSeal Pinnacle Thermal Heated Roll Laminator (1701700A)

Adjustable temperature control, auto reverse, built in horizontal trimmer, safety shield, standby mode, auto shut off, 1-year warranty, speeds up to 10 feet per minute. Heated roll laminators heat as the film moves over the rolls which may provide better adherence/bond. Suitable for laminating thicker projects like foam board. (USES item #222616, 222621, and 222623 film below, difference is width of roll)
