

# Utah Education and Telehealth Network (UEN) COPYLEAKS - ANTI PLAGIARISM and AI DETECTION SOFTWARE

**Contract Start:** July 1, 2023  
**Contract Expiration:** June 30, 2028  
Renewal Options: None

This contract is to provide anti plagiarism and AI detection software via Canvas.

Participating in this contract requires schools to enter into a participating addendum. Please enter a requisition in QCC/QSS using your October 1<sup>st</sup> student count (FTE) and the rates below.

**Once a purchase order has been issued, if a school does not wish to renew the following year, written notification must be given to the vendor and UEN by April 1<sup>st</sup> of the expiring annual renewal term.**

**If a school wishes to renew, a requisition must be entered mid-May when the next fiscal year opens in QSS.**

One Time Implementation Fee - 0 - 7,999 FTE = \$500
